Re: Petition of TracFone Wireless Inc. for Designation as an Eligible
Telecommunications Carrier, Docket No. T-20664A-09-0148

Dear Madam/Sir:

Enclosed please find an original and 13 copies of a Notice of Filing Attachment to Supplemental Joint Status Report. An additional copy is included to be date-stamped and returned in the enclosed envelope. Please contact me if you have any questions about this submission.

Sincerely,

Debra McGuire Mercer

Counsel for TracFone Wireless, Inc.

**TRACFONE WIRELESS, INC.'S NOTICE OF FILING ATTACHMENT TO
SUPPLEMENTAL JOINT STATUS REPORT**

TracFone Wireless, Inc. ("TracFone"), by its undersigned counsel, files an attachment to the Supplemental Joint Status Report filed with the Commission on September 3, 2010. The Supplemental Joint Status Report states that copies of statements from TracFone's underlying carriers as to how they treat 911 calls from TracFone's customers are attached. However, those statements were inadvertently omitted from that filing. By this filing, TracFone provides the previously omitted attachment as Attachment 1.

Respectfully submitted,

Mitchell F. Brecher

Date: April 14, 2009

To: All 911 Directors
Re: Routing of E911 Calls from Resold Wireless Services

Carrier provides licensed facilities-based wireless services directly to all of its customers and routes 911 calls from such customers to the Public Safety Answering Points (PSAPs) in accordance with applicable Federal Communications Commission ("FCC") enhanced 911 ("E911") legal requirements and pursuant to arrangements with PSAPs to receive such calls.¹

Carrier provides wholesale wireless service to TracFone Wireless, Inc. (TracFone), which resells such service to customers under its own brand on a prepaid basis.

As a wholesale customer of Carrier, TracFone has asked Carrier to certify that TracFone's Lifeline customers will have access to 911 and E911. In this regard, Carrier certifies that Carrier routes 911 calls according to applicable FCC E911 requirements and that it routes 911 calls from TracFone customers to PSAPs in the same manner as Carrier routes 911 calls from its own customers to PSAPs.

Carrier has engaged in 911 testing with PSAPs to confirm 911 and E911 access in accordance with applicable FCC requirements. Thus, as a resale customer of Carrier, TracFone customers have the same access to 911 and E911 as do Carrier's own customers.

Re: Routing of E911 Calls from Resold Wireless Services

T-Mobile USA, Inc.. ("T-Mobile") provides licensed, facilities-based wireless services directly to customers and routes E9-1-1 calls from such customers to designated Public Safety Answering Points ("PSAP") in accordance with the law and pursuant to arrangements with PSAPs to receive such calls.

T-Mobile offers wholesale wireless services to TracFone Wireless, Inc. ("TracFone"), which resells such services to customers under its own brand on a prepaid basis.

Any Tracfone customer whose service is activated on the T-Mobile network and who dials 9-1-1 will have the same access to E9-1-1 as a retail customer of T-Mobile.

Re: Routing of E911 Calls

Verizon Wireless provides licensed facilities-based wireless services to its customers and routes 911 and E911 calls from such customers to the Public Safety Answering Points (PSAPs).

Verizon Wireless provides wholesale wireless service to TracFone Wireless, Inc. (TracFone), which resells such service to customers under its own brand on a prepaid basis.

As a wholesale customer of Verizon Wireless, TracFone has asked Verizon Wireless to certify that TracFone's customers who receive their underlying wireless network service via Verizon Wireless have access to 911 and E911. In this regard, subject to the capabilities of TracFone's wireless handsets/devices, Verizon Wireless certifies that it routes 911 and E911 calls from such TracFone customers to PSAPs in the same manner as it routes 911 and E911 calls from its own customers.
